

Supporting you as you work within your Integrated Care System

What can we do for you?

We want to get to know your Integrated Care System, your ambitions and your challenges. We'll map our legal services to match your needs in order to deliver your strategic, long-term aims. At the same time, we'll support you on the day-to-day issues the health and care sector is all about.

We are legal experts in:

- Commissioning health care
- Compliance, regulatory and the Single Assessment Framework
- Contracting for commissioners and providers
- Data, digital and technology
- Estates and capital projects
- Governance arrangements and public law
- Patient care, mental capacity and NHS Continuing Healthcare
- Partnerships and collaborations
- Primary care
- Procurement and the new Provider Selection Regime
- Workforce
- Reconfiguration and public involvement
